

I. Most North Americans define poverty in Material terms.

*A Lack of.....*

- Income
- Health Care
- Housing
- Food
- Wealth

*LACK OF* Material Things

We have to Properly diagnose the problem.

Our Solutions are based on our diagnosis.

II. Ask Poor People... define poverty as... psychological and social terms.

*A lack of .....*

- everything
- dignity

*As..*

- Feeling inferior
- Broken relationships
- Broken System
- Ashamed

## Voices of the Poor..

Although they identify a lack of Resources

They also suffer from emotional & psychological conditions.

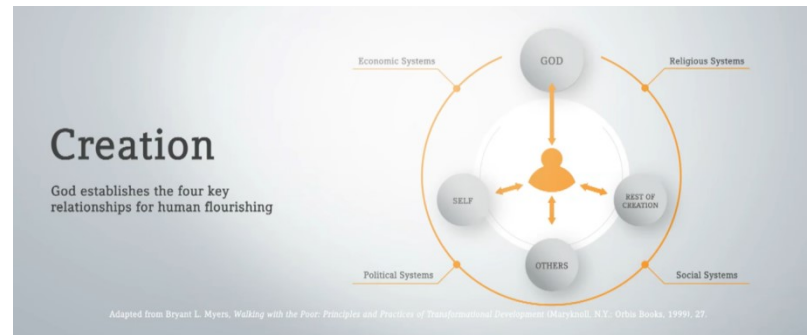

Have to get the diagnosis right!!

## SINCE CREATION

God is a relational being.

4 Primary Relationships for humans

- Us & 1. God
- 2. Self
- 3. Others
- 4. Rest of Creation

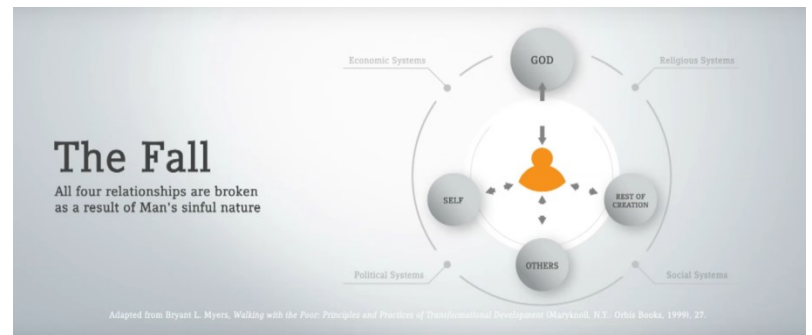

## AT THE FALL

All four relationships are broken

As a result of man's sinful

nature.

The 10% is the lack of things where 90% is.....

Broken system & Broken individuals

Both are broken!
